(d) **Risk Warning and Waiver** – Your participation in the recreational activities supplied by the Providers and the APF is inherently dangerous and may involve risk. There are risks specifically associated with participation in the recreational activities and accidents can and often do happen which may result in personal injury, death or property damage. Prior to undertaking any such recreational activity, you should ensure you are aware of all of the risks involved, including those risks associated with any health condition you may have. By accepting this form, you acknowledge, agree, and understand that participation in the recreational services provided by the Providers and

APF may involve risk. You agree and undertake any such risk voluntarily and at your own risk. You acknowledge that the assumption of risk and warning above constitutes a 'risk warning' in accordance with relevant legislation.

- (e) **Waiver** – A supplier of recreational services or recreational activities can ask you to agree that statutory guarantees under the Australian Consumer Law (which is Schedule 2 to the *Competition and Consumer Act 2010 (Cth)*) do not apply to you (or a person for whom or on whose behalf you are acquiring the services or activities).

If you accept this form, you will be agreeing that your rights (or the rights of a person for whom or on whose behalf you are acquiring the services) to sue the supplier in relation to recreational services or recreational activities that you undertake because the services or recreational activities provided were not in accordance with the guarantees are excluded, restricted or modified as set out below.

- (f) **For recreational services or recreational activities to which the Australian Consumer Law (Commonwealth) applies:** By accepting this form, you agree that the liability of the APF and the Providers in relation to recreational services (as that term is defined in the *Competition and Consumer Act 2010 (Cth)*) for any:

- (iii) the contraction, aggravation or acceleration of a disease;
- (iv) the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs:
 - (a) that is or may be harmful or disadvantageous to you or the community;
 - (b) that may result in harm or disadvantage to you or the community, that may be suffered by you (or a person for whom or on whose behalf you are acquiring the services) resulting from the supply of recreational services or recreational activities;

is excluded and the application of any express or implied term that any services will be provided with due care and skill is hereby excluded.

For recreational services to which the Australian Consumer Law (Queensland) applies: By accepting this membership application form and declaration, you acknowledge that where you are a consumer of recreational services, as defined by any relevant law, certain terms and rights usually implied into a contract for the supply of goods or services may be excluded. You acknowledge that these implied terms and rights and any liability of the APF and the Providers flowing from them, are expressly excluded to the extent possible by law, by this membership application form and declaration. To the extent of any liability arising, the liability of the APF and the Providers will, at the discretion of the APF and the Providers, be limited in the case of goods, to the replacement, repair or payment of the cost of replacing the goods and in the case of services, the resupply of the services or payment of the cost of having the services supplied again. For the avoidance of doubt, this exclusion does not exclude liability for recklessness as defined by any relevant law.

- (g) **Release and Indemnity** – In consideration of the APF accepting your membership application, you, to the extent permitted by law:

- (i) release and forever discharge the APF and the Providers from all Claims that you may have or may have had but for this release arising from or in connection with your membership of the APF and or undertaking the Parachuting Activities; and

 - (a) arising as a result of or in connection with your membership or undertaking the Parachuting Activities; and
 - (b) against the APF and the Providers in respect of any injury, loss or damage arising out of or in connection with your failure to comply with the APF's or the Provider's rules and/or directions,

save that the above releases and indemnities shall not apply to the extent that the loss, damage or injury that is the subject of the Claim is caused or contributed to by the grossly negligent act or omission of the APF and/or the Providers.

- (h) **Insurance** – You acknowledge and agree that the fee for undertaking the Parachuting Activities and the fee for becoming a member of the APF does not include personal accident insurance cover. You agree that you are responsible for your own personal accident, medical and/or life insurance and any and all expenses in the event of injury or death. The APF and the Providers do offer personal accident insurance coverage for an additional fee should you choose to take up such limited APF personal accident insurance. If you consider it appropriate to take out such APF personal accident insurance, you acknowledge that before doing so you have taken into account such APF personal accident insurance cover and your own circumstances.

- (i) **Disclosure of Medical Conditions** – You warrant that you:

You acknowledge that you must, and you agree that you will, disclose any pre-existing medical or other condition that may affect the risk that either you or any other person will suffer injury, loss or damage. You acknowledge that the APF and the Providers rely on information provided by you and that all such information is accurate and complete. You must inform the Provider if any such medical or other condition arises after you agree to this Parachuting

Contract and prior to undertaking the Parachuting Activities. You agree to report any accidents, injuries, loss or damage you suffer during any Parachuting Activities to the APF and the Providers before you leave any relevant venue. You acknowledge that if any of the warranties you make under this clause (i) can no longer be made by you on the date you undertake the Parachuting Activities, you must inform the Provider on arrival and before you participate in any Parachuting Activities.

You acknowledge and agree that the Providers may demand a medical certificate or opinion as to your fitness from a qualified medical practitioner PRIOR to your undertaking the Parachuting Activities. You acknowledge that if the warranty you make under this clause (k) can no longer be made by you on the date you undertake the Parachuting Activities, you must inform the Provider on arrival and before you participate in any Parachuting Activities.
- (l) **Safety** – You understand and acknowledge the dangers associated with the consumption of alcohol or any mind-altering substance before or during your involvement in undertaking the Parachuting Activities, and you accept full responsibility for injury, loss or damage associated with the consumption of alcohol or any other mind-altering substance. You agree to follow any rules set by the APF in connection with any Parachuting Activities. If you fail to comply with the APF's rules and/or directions, you will not be permitted to participate or to continue to participate in the Parachuting Activities and no refund will be given. If you suffer any injury or illness, you agree that the APF and/or the Providers may provide evacuation, first aid and/or medical treatment at your expense and that your acceptance of these terms and conditions constitutes your consent to such evacuation, first aid and/or medical treatment.
- (m) **Parachuting done at Parachutist's own Risk** – Any person parachuting, training to parachute, flying in any aircraft being used for or in connection with parachuting or participating in any activity carried on by Skydive Australia may only do so on the distinct understanding that they do so entirely at their own risk.
- (n) **Acceptance** – Performance of the Providers' obligations under the contract may be effected by any one or more of the providers either jointly or severally.
- (o) **Bar to proceedings** – The Providers (or any of them including the APF) may plead this contract as a bar to proceedings now or in the future commenced by or on behalf of you or by any person claiming through you. Where you seek to commence proceedings against the Providers or any of them, you:
- (i) will commence those proceedings in the courts of the jurisdiction in which any incident occurs;
 - (ii) waive any right to object to the exercise of such jurisdiction;
 - (iii) will, where you seek to commence proceedings in another jurisdiction from where any incident occurs, consent (if required by the Providers or any of them) to move those proceedings to the jurisdiction in which any incident occurs including consenting to any application made by the Providers or any of them to remove the proceedings to the jurisdiction in which any incident occurs;
 - (iv) will pay the costs of any application made by the APF and/or the Providers or any of them under paragraph (iii) above and will consent to any application for security of costs made at any time by the Providers or any of them; and

- (q) **Statement of Understanding** – You have read, or have had read to you the above conditions and having understood the same, you consent to the activities proposed.
- (r) **Prevailing conditions** – You acknowledge and agree that:
- (i) parachuting and the Parachuting Activities can and will be affected by the weather which may change without warning; and
 - (ii) there is often an element of the "luck of the prevailing conditions" when undertaking the Parachuting Activities over which the Providers or any of them have no control;
 - (iii) despite careful packing, the parachute may open abruptly (i.e. experience a hard opening) and the parachutist may suffer an injury (including injuries sustained from a hard landing); and
 - (iv) unintended incidents may occur in flight, in the descent or upon landing.
- (s) **Use of Image** – You acknowledge and consent to photographs and electronic images being taken of you during your undertaking the Parachuting Activities. You acknowledge and agree that such photographs and electronic images are owned by APF and/or the Providers and APF and/or the Providers may use the photographs for promotional or other purposes without your further consent being necessary.
- (t) **Privacy** – You understand that the personal information you have provided in your membership application is necessary for the conduct and management of the Parachuting Activities and for the administration of parachuting in Australia generally, and that it is collected in accordance with the APF Privacy Policy (available from <http://www.apf.asn.au/Home/Privacy-Policies/>). You acknowledge that the APF may use or disclose your personal information for the purposes of providing you with member services or promotional material or otherwise in accordance with the APF Privacy Policy. activities on the APF's behalf including direct marketing; the APF's professional advisers, including the APF's accountants, auditors and lawyers and the APF's insurers; however, your information is not generally disclosed to anyone outside Australia. You understand that the APF Privacy Policy contains information about how you may access and request correction of your personal information held by the APF or make a complaint about the handling of your personal information, and provides information about how a complaint will be dealt with by the APF. You acknowledge that your membership application may be rejected if the information is not provided. If you do not wish to receive promotional material from APF sponsors and third parties, you must advise the APF in writing or via the opt-out procedures provided in the relevant communication.

- (u) **Entire agreement** – This agreement (and the documents to which it refers) constitutes the entire agreement between the parties in respect to the Parachuting Activities and supersedes all other agreements, understandings and representations and negotiations with the Providers or any of them in relation to the Parachuting Activities. To the extent that any clause of this agreement is void or unenforceable it is severable and does not affect the remaining provisions of the agreement.

PLEASE NOTE THE FOLLOWING:

If the *Competition and Consumer Act 2010* or similar State laws operates so as to prevent the exclusion, restriction or modification of warranties otherwise implied by those laws then the liability of the Provider for breach of warranties is limited to:
